

CFN220US

NWP220 front panel and adapter frame kit – 1-gang US

Product information:

The CFN220US is a sleek and practical mounting solution designed to seamlessly integrate the NWP220 networked input panel into a 1-gang US standard electrical box. This custom adapter frame includes a modified front panel, ensuring a clean and professional installation for US-based applications. Whether you're equipping meeting rooms, classrooms, or retail environments, the CFN220US offers a perfect fit with consistent aesthetic and mechanical alignment.

Variants:

- CFN220US/B - Black version
- CFN220US/W - White version
