

CFN222US

NWP222 front panel and adapter frame kit – 3-gang US

Product information:

The CFN222US is a sleek and practical mounting solution designed to seamlessly integrate the NWP222 networked in-amp; output panel into a 3-gang US standard electrical box. This custom adapter frame includes a modified front panel, ensuring a clean and professional installation for US-based applications.

Whether you're equipping meeting rooms, classrooms, or retail environments, the CFN222US offers a perfect fit with consistent aesthetic and mechanical alignment.

Variants:

- CFN222US/B - Black version
- CFN222US/W - White version
