

CFN300US

NWP300 front panel and adapter frame kit – 1-gang US

Product information:

The CFN300US is a sleek and practical mounting solution designed to seamlessly integrate the NWP300 networked input panel into a 1-gang US standard electrical box. This custom adapter frame includes a modified front panel, ensuring a clean and professional installation for US-based applications. Whether you're equipping meeting rooms, classrooms, or retail environments, the CFN300US offers a perfect fit with consistent aesthetic and mechanical alignment.

Variants:

- CFN300US/B - Black version
- CFN300US/W - White version
