

CFW205US

WP205 front panel and adapter frame kit – 1-gang US

Product information:

The CFW205US is a dedicated adapter frame and front panel kit designed to integrate the WP205 ARES5A wall panel into a 1-gang US standard electrical box. This custom solution ensures a smooth, professional finish for installations in US-standard environments.

The front panel has been engineered for easy adaptation, allowing for a precise fit and alignment with the WP205's connectors and controls. Ideal for hospitality, retail, or educational applications, the CFW205US ensures clean aesthetics and effortless compatibility.

Variants:

- CFW205US/B - Black version
- CFW205US/W - White version
