

# CFW210US

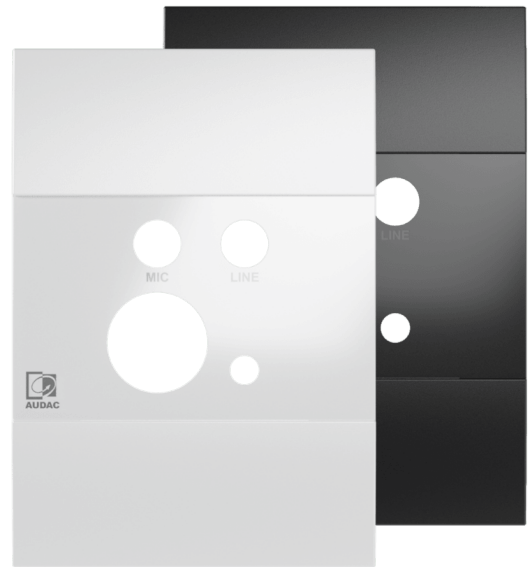

## WP210 front panel and adapter frame kit – 1-gang US

### Product information:

---

The CFW210US is a dedicated adapter frame and front panel kit designed to integrate the WP210 universal wall panel into a 1-gang US standard electrical box. This custom solution ensures a smooth, professional finish for installations in US-standard environments.

The front panel has been engineered for easy adaptation, allowing for a precise fit and alignment with the WP210's connectors and controls. Ideal for hospitality, retail, or educational applications, the CFW210US ensures clean aesthetics and effortless compatibility.

### Variants:

---

- CFW210US/B - Black version
- CFW210US/W - White version
