

CFW220US

WP220 front panel and adapter frame kit – 1-gang US

Product information:

The CFW220US is a dedicated adapter frame and front panel kit designed to integrate the WP220 universal wall panel into a 1-gang US standard electrical box. This custom solution ensures a smooth, professional finish for installations in US-standard environments.

The front panel has been engineered for easy adaptation, allowing for a precise fit and alignment with the WP220's connectors and controls. Ideal for hospitality, retail, or educational applications, the CFW220US ensures clean aesthetics and effortless compatibility.

Variants:

- CFW220US/B - Black version
- CFW220US/W - White version
