

Highlights:

- Extra mounting for 1 microphone
- Fixing screw with 3/8" thread adaptor included
- Mounting screw clamps the side arm to the stand

Product information:

The CST354/B is a straight side arm to attach an extra microphone holder. The microphone holder can be mounted using the fixing screw and the included 3/8" thread adaptor. The mounting of the side arm onto a stand is done using the fixing screw. The fixing screw has a rubber tip so that the mounting does not damage the stand.
