

SPR80RF

19" cooling roof fan unit - for SPR800 series

Highlights:

- Low noise generation
- 4 fan unit (4 x 20 W)

Product information:

A 19" cooling roof fan unit made out of black (RAL9004) powder-coated aluminium which is used to improve the air circulation and help remove hot air from the rack. The fan runs at medium speed and needs to be fed with 240VAC at 50/60Hz. For use with SPR800 series only.
