

Product information:

This 20-page brochure includes detailed information about our extensive slimline range within the AV & IT category. These sleek data cables offer unparalleled performance for your permanent setups while preserving an incredibly thin cable design. Ranging from USB Type-C cables up to 5 meters long to CAT7 multi-coloured patch cables for tidy rack installations, this unique collection encompasses more than just data cables. It also features video cables capable of handling up to 8K resolution.
