

## Product information:

1 meter sample pack of the RZ40. The RZ series cables are parallel designed loudspeaker cables with a maximum flexibility and strength. They are mostly used for indoor applications. Each conductor is fitted with a highly flexible PVC jacket. The two parallel conductors are in black colour and one of the two has a thin red line to identify the polarity. The RZ series cables are “all-round” loudspeaker cables suited for all kinds of applications on loudspeaker level.

## Properties:

## Inner Conductors:
